

You Are There

Ross Eicher

(v) Em7 D/F# Asus4
There's no bounds to hold you in
Em7 D/F# Asus4
Not even time can tell your end

Loneliness hides from your face
From your love there's no escape

(br) G D/F# Em
You're all around me though I cannot see
Asus4
I know you're there to catch me when I fall
G D/F# Em
There's no exception and there's no rejection
Asus4
For the one who's heart carries your name
G D/F# Em
Glory surrounds you and your love abounds to
Asus4
All who believe

(ch) Dsus2 Bm
No matter when I cry
G
Or what the time
Em Asus4 Dsus2
Or where I go I know that you are there
Dsus2 Bm
No matter what it seems
G
Or what the world believes
Em Asus4 Dsus2
Or what the view holds I know that you are there

(tag) Dsus2 Asus4 Bm G Asus4 Dsus2
Watching me, loving me, waiting for me to come and meet you here
